- Liability:** USA Swimming, South Texas Swimming, The University of Texas, The Lee and Joe Jamail Texas Swimming Center, and Longhorn Aquatics accept no responsibility or liability for injuries sustained by any individual, athlete, coach, official, meet volunteer, or spectator while traveling to and from or while participating in the meet. Damage to the facility, when proved, will cause the offending swimmer, if unattached, or the offending swimmer's club, if attached, to be held accountable for repairs.

- Qualifying Times:** Qualifying times are the Texas Senior Circuit (TSC) A standards. These time standards can be found at <http://www.texasseniorcircuitswimming.org> Qualifying times must have been earned since January 1, 2002.
- Swimmers with one TSC automatic cut (in yards or meters) may enter any event other than the 800 and 1500 free. Even swimmers with an automatic cut must qualify with an A time to swim the 800 and/or 1500 free. Swimmers must enter an event that qualifies them for automatic status. If the automatic cut was earned in yards, you must enter in yards.
- Swimmers without an automatic cut must qualify with a TSC A cut in each event. However, these swimmers may also enter two bonus events. A bonus event is any event 200 meters or less. Bonus events must be marked as bonus in the Hy-Tek entry file.
- Qualifying times for the 50 back, breast and fly are the 100 times for those events.
- Meet Format:** Each prelim session will be seeded the evening before. Please scratch by 5:30 PM any event you will not swim the next day. There is not a penalty for failing to scratch a prelim event; this is a courtesy to the other swimmers by eliminating an empty lane in prelims. All deck entries for the next day's events received before 5:30 PM will be seeded.
- Events will swim slowest to fastest in prelims unless noted otherwise.
- Enter the 50s of stroke with your 100 time.
- The 800 and 1500 free and all relays are timed finals. All other events are prelim/final events featuring a final, consolation and bonus heat qualifying for finals on Friday, Saturday and Sunday. Additional final heats may be added with Meet Referee and Meet Director approval.
- Thursday's events are deck seeded and require positive check-in. The 800 and 1500 free on Sunday are also deck seeded and require positive check-in. The fastest heat of the women's 800 and the men's 1500 on Sunday, electing to swim in finals, will swim in finals; all other heats will swim at the conclusion of prelims on Sunday.
- Swimmers in Thursday's events must provide their own counters. Swimmers in the women's 800 and men's 1500 free during Sunday prelims must provide their own timers and counters.
- The Meet Referee and Meet Director reserve the right to conduct chase starts from both ends of the pool and/or conduct fly-over starts based on the number of entries and projected timeline.
- Seeding:** Non-conforming times will be seeded last – LCM times first then SCM then SCY then bonus events. The fastest 3 heats in prelims will be circle seeded.
- Check-In:** Positive check-in is required for the 800 free and 1500 free. Swimmers in Thursday's events must check in by 4 PM on Thursday
- Swimmers in the women's 800 and men's 1500 on Sunday must check in by 9:00 AM on Sunday. Swimmers in these two events must also indicate if they intend to swim in prelims or finals.
- Swimmers that check-in for an event and fail to swim will be fined \$25 payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent TXLA meets at the Swim Center) until the fines are paid.

Scratch Rule: **Prelims** – Each prelim session will be seeded the evening before. Please scratch by 5:30 PM any event you will not swim the next day. There is not a penalty for failing to scratch a prelim event; this is a courtesy to the other swimmers by eliminating an empty lane in prelims. All deck entries for the next day's events received before 5:30 PM will be seeded.

Finals -- Swimmers qualifying for finals have 30 minutes after the announcement of preliminary results to either scratch or declare their intent to scratch. Swimmers that timely indicate an intent to scratch must declare their final intention within 30 minutes following their last individual preliminary event.

Any *finalist* who fails to scratch and fails to report to the starting blocks for finals, is subject to a \$50 penalty. Athletes will be barred from competition (at this or future meets at the Swim Center) until fines are paid. Fines are payable to the University of Texas.

Entries: Entries must be received by midnight Monday, July 2nd. We must receive your entry fees by Monday, July 9th.

Swimmers may compete in 3 individual events each day. If you earned the qualifying time in yards, you must enter in yards. Do NOT convert times. Do NOT enter at the LCM cut. Enter bonus events with a real, provable time. You may not enter a bonus event with a NT. Bonus events must be marked as bonus swims in the Hy-Tek entry file.

Teams with five or more swimmers entered in the meet must submit entries using version 3 or 4 Hy-Tek Team Manager software. Email to Debbie Norval at anorval@austin.rr.com
