

Job Posting Rules

- 1) The jobs that we will post are USA Swimming, College Swimming or High School positions only. We simply cannot keep up with summer league coaching positions.
- 2) All submittals and removals must be handled by one person only. This can be a coach or a board member but all correspondence with the webmaster must be with this one person.
- 3) All submittals will be deleted at the end of a 30 day period.
- 4) Any job not filled in 30 days will have to be resubmitted.

Thanks!
